

Team9: Project REGS

Members:

- Matthew Gilmore
- Shiva Omrani
- Lian Showl

We've created a user with the following credentials for you to use during Phase 1 project.

These credentials work for both ssh-ing and MySQL on the server

Username: team9

Password: 2wepmBKv

Feel free to change the password if you wish, but make sure to communicate it with all team members and evaluating committee (Roxana & Dr. Narahari)

You are responsible for keeping this credentials secure. Only team members (listed here) should have access to them.
